

STAGE 1

All Aboard! Nutten' will stop your team from finding the Golden Pigeon and winning Pursuit! You better get going.

STAGE 1

NYC ISLAND TRIVIA

Solve this while you're on the way to determine the exact location of the QR.

1. Original name of the Island that housed the journalist that American Horror Story's Lana Winters is based off of.

2. Pair of Islands who were named after a former owner who became rich sweeping chimneys bought the islands

3. Island that borders Hell's Gate and the dangerous whirlpool that is created there.

4. Island west of Staten Island that is home to a large percentage of New York State's herons.

5. Created by glaciers, this island caused debate between NY and NJ in the Supreme Court.

6. Smallest island in NYC created by a pianist who wanted trolley tunnels.

7. An salt marsh island home to "hipster battles" and grew when the Belt Parkway was built

8. Island that belongs to the Bronx but can only be accessed through Queens -- it will closing in 2026.
